

Passwords file

Updated: 07/27/2022

Smarthome Team

Smarthome Research, Dr. Son Tran

This file contains all relevant passwords to the Smarthome Project being worked on under Dr. Tran. I will forward this to Dr. Tran when I have completed my work on the project so that he (or my successors) may access our systems.

Dham password (Wi-Fi)

Password: nmsush123

Dham Router password (Wi-Fi)

Password: nmsushp123

Apple Machine:

Username: Miguel Fernandez

Password: 0Noudont

Windows Machine:

Username: Smart Homes

Password: 0Noudont

Openhab: (openhab running on windows)

Username: smarthome
